Education

Chulalongkorn University

Pathum Wan, Bangkok

Computer Engineering and Digital Technology (CEDT), Faculty of Engineering

Relevant Coursework: Introduction to CEDT, Computer Programming, Data Structure and Algorithms, Digital Computer Logic, Discrete Structure

Triam Udom Suksa School

Pathum Wan, Bangkok

High School Diploma, GPAX: 3.66

March 2025

Technical Skills & Projects

Programming: C++, SQL, Java.

Networking: TCP/IP, OSI Model, IPv4/IPv6 Subnetting, Cisco IOS (CLI), Router & Switch Configuration, SSH, DHCP, DNS, LAN/WAN Fundamentals.

vr.COMA (Versatile & Reactive Chromatic Orchestration & Mood Analyzer):

Sep. 2025

2110222 Introduction to CEDT Final Project

Developed vr.COMA, a **single-page web application** that uses a Large Language Model (LLM) to **generate complete color palettes** and design rationale from natural language descriptions. The application features a fully reactive interface that instantly adopts the generated color scheme.

SOHO Network Infrastructure

Nov. 2025

Designed a **scalable network simulation** in Cisco Packet Tracer featuring **hierarchical addressing, centralized DHCP management**, and **logical segmentation** for multiple departments. Implemented specific router configurations including **"IP Helper" addresses** to enable **DHCP relay** across distinct broadcast domains. Utilized static routing and standard TCP/IP services (DNS, HTTP) to validate end-to-end connectivity and ensure network stability.

Activities

2025 ICPC Asia Bangkok Regional Contest

Pathum Wan, Bangkok

Medical Team (Primary) & Contest Manager Team (Ad-hoc Support)

Nov. 2025

- **Provided primary medical coverage** and first aid response for all contestants, staff, and volunteers throughout the duration of the regional contest.
- **Delivered critical technical support** to the Contest Manager team, focusing on the setup of the competition environment.
- **Assisted with the installation and configuration of competition software** on contestant machines.
- **Contributed to LAN networking and connectivity testing** to ensure a stable and reliable execution platform for the programming contest.

Com Sampan 2025

Pathum Wan, Bangkok

Medical Team

Nov. 2025

- **Provided medical coverage** and first aid response for all contestants, and staff throughout the duration of the event.

Skills & Interests

Interests: Networking, Cybersecurity.

Certificate:

- **Google AI Essentials** (Aug. 2025)
- **Cisco Networking Basics** (Nov. 2025)
- **Cisco Intro to Cybersecurity** (Nov. 2025)
- **Cisco Networking Devices and Initial Configuration** (Dec.2025)

Language: English (intermediate), French (beginner).
